ACADEMIC PROJECTS

Project of PGDAC :E-Complaint Website

Platform : MySQL, J2EE(Spring Boot), HTML-CSS, Javascript, React Js

Duration : 1 Month

Description : The e-complaint forum is an online way of lodging complaint via web driven application. The user has to enter & register themselves and lodge a complaint or multiple complaints and he/she gets confirmation on the registered email address. These complaints are redirected to the Admin who forwards these complain to the proper official. These officers then note these complaints and after completing the work they update the status as completed and the same is informed to the consumer through email.

CO-CURRICULAR ACTIVITIES

- 2022 – I delivered Presentation on Nodejs during my PGDAC in College.
- 2022 - Certified in Career Edge by TCS.
- 2020 – Certified in Programming for Everybody(Coursera).
